STUDENT APPEARANCE AND DRESS CODE

I. GENERAL STATEMENT

Responsibility for the dress and appearance of students enrolled in the Volusia County Public Schools primarily rests with parents and the students. Some student apparel, however, may not be appropriate to wear to school even though that same apparel may be appropriate to wear in other settings. To assist parents and students in making appropriate fashion and grooming decisions for school, the School Board has established the following minimal guidelines for the appearance and dress of students.

The standards of appearance for students shall insure that the students are clean, neat, and properly dressed. They shall observe modes of dress and standards of personal grooming which are appropriate for the academic environment.

It is the responsibility of the principal to see that the dress appearance of any student shall not be extreme, to the point of creating a disturbance, or be hazardous to the student and/or others, or school property, whether or not the specific case is covered by the information below. The principal or principal's designee has the final authority for interpreting whether a student's apparel/appearance conforms to the dress code. If a student enters the district after the start of the school year, the student will have a grace period of five (5) school days before being required to wear the school uniform.

All schools have the option of adopting a standard dress code (uniform) when developed and agreed upon in collaboration with their School Advisory Council. Schools that adopt a standard dress code policy should include the following: Collared shirts, sleeves, khaki or dark pants/shorts/skorts, defined shirt colors (e.g. school colors).

Students may wear special clothing related to a school sponsored activity or program, as permitted by the Principal.
