Parking on campus is a privilege! Any of the following actions will result in loss of your parking permit:

1. **Driving in a reckless fashion on or near school property.**
2. **Use of vehicle in "skipping school" or to leave campus without checking out (including lunch time).**
3. **Having a parking permit due to your job requirements, then lose your job.**
4. **Driving without wearing a seat belt.**
5. **Giving your parking permit to another student.**
6. **Transporting another student off campus without proper approval.**
7. **Five unexcused absences in one grading period.**
8. **No lingering in the parking lot before school, during lunch or after school.**

Please note the following:
The cost of a parking permit is $35 for the school year. All obligations must be paid before a parking permit can be purchased. You must park your vehicle in the parking space assigned to you. Parking permits will be sold to juniors and sophomores for the parking lot in the front of the school. Seniors will park in the senior parking lot. Parking in either lot will be restricted to those with permits displayed.

Vehicles are subject to search and to the Code of Student Conduct and Discipline.

I have read the above information and understand the benefits and limitations of purchasing a parking permit.
